

ABDULRAHMAN ALMANSOORI

Industrial Engineer | Business Excellence & Analytics | ERP/BI Reporting

Muscat, Oman | +968 7749 9715 | rahman.mansoori@hotmail.com | Portfolio: yourname.github.io | LinkedIn: linkedin.com/in/yourhandle

SUMMARY

Industrial Engineering graduate (Honors, GPA 3.66/4.0) with hands-on experience across business excellence, sales operations, procurement exposure, and international program leadership. Strong at turning operational data into decision-ready reports, dashboards, and KPI frameworks using Excel/Power Query, BI tools, and Python automation. Actively seeking analyst/industrial engineering roles focused on performance improvement, reporting automation, and data-driven decision-making.

CORE SKILLS

- Analytics & Reporting: Excel (advanced), Power Query, KPI design, dashboards, data cleansing & reconciliation
- Coding & Automation: Python (pandas/openpyxl), basic HTML/JavaScript dashboards, GitHub (familiar)
- Industrial Engineering: process optimization, operations research, supply chain design, Six Sigma, quality control, HSE basics
- Modeling & Tools: CPLEX OPL, Minitab, Arena simulation, MATLAB, CAD, MS Office, Canva; Qlik Sense / Power BI (familiar)

EXPERIENCE

National Mineral Water Company (NMWC), Oman

Business Excellence & Analytics (ERP/BI Reporting) | 2025 – Present

- Develop executive-ready reports and dashboards (customer growth, returns analysis, route/coverage tracking, incentive calculations) for Sales and management.
- Automate recurring reporting workflows (Excel/Power Query/Python) and standardize master-data rules (channels, regions, routes).
- Support ERP and route-to-market reporting alignment through reconciliation checks, KPI definitions, and stakeholder coordination.

Abdul Wahab Office, Muscat — Salesperson

Mar 2024 – Present

- Assisted customers and supported service delivery in a showroom/service-room environment.
- Streamlined and managed inventory, improving day-to-day operational accuracy.

Sultan Qaboos University (SQU) — International Cooperation Office

Head of Volunteer Students | Sep 2022 – Aug 2024

- Led volunteer teams to execute major international programs, including Russian and Korean delegations (80+ participants) in early 2024.
- Coordinated logistics, schedules, and communication across stakeholders to deliver high-quality student experiences.

Oman Refreshment Company — Procurement Trainee

Jul 2023 – Aug 2023

- Worked with the procurement department to understand end-to-end procurement processes in a large beverage company environment.

Additional Experience

- Tour Guide (Freelance) | Jan 2022 – Present — guided tourists across Oman, showcasing attractions and cultural heritage.
- Earthly Coffee — Barista | Sep 2023 – Jan 2024 — customer service and quality standards.
- Tutorial Center — IT & Math Tutor | Sep 2020 – May 2021 — taught fundamentals; students improved performance.

SELECTED PROJECTS

Selected work spanning optimization, simulation, forecasting, and operational analytics:

- Design & Optimization of Hydrogen Supply Chain Network in Oman (FYP) — mathematical model design and optimization.
- Operational Analytics at NMWC — dashboards and automated reporting for customer growth, returns, route performance, and incentives.

- Office Ergonomics Evaluation — workstation/chair evaluation and proposed solutions.
- Optimal Temporary Shelters Location Model — strategic location modeling for disaster response.
- Forecasting Methods (Smart Tech Car Wash) — statistical forecasting for demand planning.
- Warehouse Operation Simulation (Arena); manufacturing cell/line balancing; Wi-Fi router optimal location; product design (zero-screw car table).
- Creating an insurance website (basic web project).

EDUCATION

Sultan Qaboos University (SQU) — BEng, Industrial Engineering (Honors) | Jan 2019 – Aug 2024

- GPA: 3.66/4.0 | Ranked 1st in batch (Industrial Engineering)

CERTIFICATIONS & HONORS

- IELTS 7.5
- Dean's List of Honors (multiple semesters)
- Training Certificate — Oman Refreshment Company (Summer 2023)
- Student-Staff Liaison Committee (Fall 2020, Spring 2021); SQU societies & workshops (VR/AR, IE society, etc.)

LANGUAGES

- Arabic — Native
- English — Fluent (IELTS 7.5)
- Turkish — E2
- German — Basic

INTERESTS

- Photography, horse riding, mountain climbing, hiking & camping, organizing events/social programs
- Investing (stock/currency markets); entrepreneurship (Amazon FBA storefront; caravan ownership)
